

24 hour Endurance Day , Berlin , 26./27:05.07

24 hours, 4 TM`s , 4 rider's , good mechanics and a good team around give us the second place by more as 200 teams

TM Racing germany with the riders Daniel Weiß 250 cc, Kay Schwarz 300 cc, Denny Doras 250 cc and Ronny Züllich 125 cc

200 liters fuel, 10 liters oil, 4 chain guards, 4 sprockets, 4 chains, 10 tires,

Not more we need for this good result, not one bike broken, no crash,

Daniel Weiß again with a good start, from place 114 on the start gate , after five laps to position five, and than the fight thru the night , after the night the Team on place two, always really close to place one, only six minutes different after the 24 hours between place one and two ,

The Team a more than happy with this great result, if you want see more , click
